Form #3 Notice of Property Improvement (Off-Site Built Modular Components)

1. Year modular components were manufactured _____
2. Manufacturer _____
3. **Describe** the foundation in the space below. If more space is needed, please use the back of this page.

4. **Attach** a copy of the Title of Ownership.
5. **Attach** a copy of the Bill of Sale.
6. **Attach** legible photo of the Certification Decal (label) for each modular section**.**
7. Contact information for foundation engineer and 3rd party inspector:

_____

_____

_____

_____

8. **Attach** photos of the modular components (showing all exterior sides and, if these are used modular components, the interior rooms).

NOTE: Before modular components are joined together at a site and installed on a permanent foundation system, the removal of the towing hitch, axles, brakes, wheels, and other parts that operate only during transportation and are there to facilitate transportation of the house from each component is mandatory for a modular home to be erected in any block of the subdivision.

Owner's Name _____ Lot # _____ Date _____
